

## LINKAGE AND COLLABORATION 2024-25

### STUDENTS LINKAGE

#### 1. Salafi English Medium School

Kannur Salafi B.Ed. College has always maintained a strong linkage and collaboration with Salafi English Medium School, engaging in various meaningful activities. A notable example of this collaboration was the celebration of Children's Day on 14-11-2024 at Salafi English Medium School, organized by 20 students from the B.Ed. College. The event featured a variety of activities, including a rally, sweet distribution, and vibrant cultural programs, which brought joy and excitement to the students of the school. The well-planned celebration created a lively atmosphere, allowing the children to actively participate and enjoy the programs. This initiative highlighted the commitment of Kannur Salafi B.Ed. College to fostering community engagement and enhancing student experiences through collaborative efforts.

On 12th December 2024, Kannur Salafi B.Ed. College hosted a remarkable Learning Aid Exhibition organized by its second-year students, which witnessed enthusiastic participation from the 5th, 6th, and 7th-grade students of Salafi English Medium School. The exhibition showcased an array of meticulously crafted teaching aids, including models, charts, and interactive tools, designed to simplify complex concepts across various subjects. Each exhibit demonstrated the creativity and pedagogical skills of the B.Ed. students, aiming to enhance learning experiences in innovative ways. The school students eagerly explored the exhibits, engaging with the demonstrators and asking insightful questions. This interactive approach not only sparked their curiosity but also deepened their understanding of the subjects presented. Teachers accompanying the students appreciated the effort and creativity of the college students, noting how such programs inspire young learners and encourage active participation in education. The program proved to be both educational and enjoyable for the visiting students, leaving them motivated and fascinated by the practical applications of classroom concepts. This collaborative event highlighted the strong bond between the two institutions and underscored the importance of innovative teaching methods in modern education.

## 2.Kanjirode AUP.School

Kannur Salafi B.Ed. College has always prioritized building meaningful linkages and collaborations with local schools, and its partnership with Kanjirode AUP School is a testament to this commitment. One of the most memorable initiatives under this collaboration was the grand celebration of Children's Day on 14-11-2024, which took place with the active involvement of 20 dedicated students from the B.Ed. College. The event was thoughtfully planned to bring joy and create lasting memories for the young learners. The day began with an energetic rally, where students marched with colorful banners and slogans, spreading the spirit of the celebration throughout the school and nearby areas. This was followed by the distribution of sweets, which added a touch of sweetness to the event and delighted the children. A series of vibrant cultural programs, including skits, dances, songs, and interactive games, kept the students entertained and engaged throughout the day.

The enthusiastic participation of the children from Kanjirode AUP School highlighted the success of the program. Teachers and staff at the school expressed their appreciation for the effort and creativity of the B.Ed. College students, acknowledging how such events not only entertain but also inspire and motivate young learners. This celebration reinforced the strong bond between Kannur Salafi B.Ed. College and Kanjirode AUP School, emphasizing the importance of collaborative initiatives in enriching educational and cultural experiences for the community.

On 12th December 2024, Kannur Salafi B.Ed. College hosted an enriching Learning Aid Exhibition that welcomed enthusiastic participation from the 5th, 6th, and 7th-grade students of Kanjirode AUP School. The exhibition, meticulously organized by the second-year B.Ed. students, featured an impressive array of teaching aids designed to make learning more interactive and engaging. The exhibits covered a variety of subjects, including Science, Mathematics, Social Studies, and Language, each tailored to address key concepts in creative and visually appealing ways. From dynamic working models and colorful charts to innovative games and interactive tools, the exhibition demonstrated how effective teaching aids can transform the learning experience.

The students from Kanjirode AUP School were thrilled to explore the exhibition, engaging with each exhibit and eagerly participating in demonstrations and hands-on activities. Their enthusiasm was evident as they asked insightful questions, interacted with the presenters, and shared their own interpretations of the concepts displayed. Teachers and staff accompanying the students expressed their appreciation for the efforts of the B.Ed. students, highlighting how such initiatives not only benefit the school students but also provide invaluable teaching experience for the future educators. The program created a vibrant and educational atmosphere, leaving a lasting impact on the young learners by sparking curiosity and reinforcing classroom knowledge through practical application. It also strengthened the collaborative relationship between Kannur Salafi B.Ed. College and Kanjirode AUP School, showcasing the shared dedication of both institutions to innovative and student-centered learning approaches.

### 3. SUM COLLEGE OF TEACHER EDUCATION

Kannur Salafi B.Ed. College has established a strong and collaborative relationship with SUM College of Teacher Education, engaging in various joint activities that promote mutual learning and community service. A notable initiative under this partnership was the NSS camp organized by SUM College at Kannur Salafi B.Ed. College. The camp witnessed the active participation of nearly 50 students, along with the full support and involvement of all faculty members from SUM College. The program was well-structured and included activities focused on personal development, social service, and team-building exercises, providing participants with a platform to enhance their skills and contribute meaningfully to the community. This collaboration not only fostered a spirit of cooperation between the institutions but also provided a valuable opportunity for students and faculty to interact, share knowledge, and work towards common goals, reflecting the shared commitment of both colleges to holistic education and community engagement.

On 10th October 2024, Dr. Jayasree CV, the esteemed Principal of SUM College of Teacher Education, conducted an enlightening awareness class on breast cancer at Kannur Salafi B.Ed. College. The session, attended by students and faculty members, provided valuable insights into the importance of early detection, preventive measures, and treatment options for breast cancer. Dr. Jayasree's expertise and compassionate approach made the session highly engaging and informative, fostering a deeper understanding of the subject among the participants. The class emphasized the significance of regular health check-ups and self-care practices, empowering attendees with the knowledge to promote their well-being and spread awareness within their communities. This impactful session highlighted the importance of such collaborative initiatives in addressing critical health issues and nurturing a culture of awareness and prevention.

## NSS CAMP AT KANNUR SALAFI B.Ed.COLLEGE

The NSS camp of SUM B.Ed. College, held at Kannur Salafi B.Ed. College from December 22 to 28, was a week-long initiative to foster social responsibility and community engagement among students. The camp featured various activities designed to connect students with the local community and promote mutual learning. House visits allowed participants to understand the challenges and lifestyles of the residents, fostering empathy and a deeper sense of service. A joyful Christmas celebration united students and community members in a festive spirit, promoting unity and cultural exchange. Motivational speeches by experts inspired both students and attendees, encouraging personal growth and a sense of purpose. Social work projects, such as cleanliness drives and community support programs, highlighted the importance of contributing positively to society. Cultural activities, including performances and traditional art displays, showcased the talent and creativity of the students while celebrating the local heritage. Interactive sessions with the community allowed for open dialogue, strengthening relationships, and creating a sense of belonging. Overall, the camp served as a platform for holistic development, equipping students with valuable life skills and leaving a lasting impact on the community.

## ACADEMIC SKILL DEVELOPMENT PROGRAMME

On January 9, 2025, SUM College of Teacher Education hosted an academic skill development program focused on financial literacy, aiming to enhance participants' understanding of financial management and its practical applications. The program, held in the college auditorium, featured an engaging session led by Manu Murali, a SEBI Smart Trainer renowned for his expertise in promoting financial awareness. His interactive approach and in-depth knowledge made the session highly informative and impactful, covering key topics such as budgeting, saving, investment strategies, and the significance of financial planning in daily life. Students from our institution had the opportunity to actively participate in this event, benefitting immensely from the valuable insights and practical guidance provided. The program highlighted the importance of fostering financial literacy as an essential life skill, enabling participants to make informed financial decisions. This event was a collaborative effort between SUM College of Teacher Education and our institution, exemplifying the strength of inter-institutional partnerships in delivering high-quality educational experiences. Overall, the program was a resounding success, equipping attendees with the knowledge and confidence to manage their finances effectively and responsibly.
