

# Curriculum Planning Committee

## CPC

The Curriculum Planning Committee reviews and evaluates curriculum, and plans and executes curricular activities. The committee's responsibilities include:

- Curriculum review: Evaluating courses and programmes, and their impact on students and college resources
- Curriculum in-house planning: Collaborating to develop and plan in-house meetings.
- Curriculum implementation: Planning, executing, and evaluating curricular activities each semester
- Curriculum alignment: Ensuring that curriculum offerings meet student transfer and career goals
- Curriculum improvement: Identifying curriculum problems, finding solutions, and taking corrective measures
- Curriculum expansion: Adding and expanding courses and programmes offered by the institution
