

## KARUTHAKAM KARUTHALODE, CH CENTRE VISIT, 24-02-2025

Kannur Salafi B.Ed. College successfully organized a *Pothichoru* distribution at CH Centre, Elayavoor, on February 24, 2025, as part of its best practice initiative, *Karuthakam Karuthalode*. This initiative reflects the institution's commitment to social service and community engagement, aiming to foster a sense of empathy and responsibility among students. The program encouraged participation from all first-year and second-year students, along with staff members, who prepared and contributed home-cooked meals from their homes. The collected food packets were systematically gathered by student union members and distributed to the beneficiaries at the center. The distribution process was carried out enthusiastically, as students actively engaged in collection and delivery, ensuring that the food reached those in need. The residents and staff of CH Centre warmly welcomed the initiative, expressing their gratitude for the thoughtful gesture. The smiles and happiness of the recipients were a testament to the event's success, reinforcing the values of kindness and solidarity.

Beyond just providing food, *Karuthakam Karuthalode* serves as a platform for students to develop a deep sense of social responsibility, and understanding of the importance of helping others. It creates an opportunity for them to engage in humanitarian efforts and contribute positively to the well-being of society. The college, through such initiatives, continues to emphasize the role of education not only in academic growth but also in character building and moral development. By organizing this event, Kannur Salafi B.Ed. College reaffirmed its commitment to community service and encouraged its students to uphold values of compassion, generosity, and collective well-being. This initiative stands as a reminder that small acts of kindness can have a profound impact, strengthening the bond between educational institutions and the society they serve.
