

INTERNATIONAL MOTHER LANGUAGE DAY 21-02-2025

Kannur Salafi B.Ed College joyfully observed International Mother Language Day with a series of engaging programs led by the Malayalam optional students. The event commenced with an inspiring inauguration by Ms. Riji Vijayan, Assistant Professor in Natural Science, setting the tone for a celebration of linguistic and cultural pride. Students showcased their love for the Malayalam language through a captivating poetry recitation, bringing forth the beauty and depth of their mother tongue. A thrilling quiz competition followed, testing participants' knowledge of Malayalam literature, history, and linguistic heritage.

One of the most notable highlights of the event was the Malayalam signature collection campaign, a unique initiative aimed at fostering a deep connection with the language. This special program was inaugurated by the esteemed college principal, Dr. Sobha S, and saw enthusiastic participation from teachers and students alike, who proudly inscribed their signatures as a symbolic gesture of their commitment to preserving and promoting their mother tongue. The entire event was a remarkable tribute to the significance of linguistic diversity, reinforcing the importance of embracing and cherishing one's native language in an increasingly globalized world.

NATIONAL SCIENCE DAY 28-02-2025

Kannur Salafi B.Ed College proudly observed National Science Day on February 28, 2025, with an array of educational and engaging programs organized by the Science Club. The event commenced with Science Club members elaborating on the significance of the day, commemorating the contributions of great scientists and emphasizing the role of science in shaping society. To provide a hands-on learning experience, second-year students conducted various science experiments, illustrating the practical applications of scientific principles in daily life. These experiments sparked curiosity and enthusiasm among students, reinforcing the importance of scientific inquiry and innovation. The program concluded with an inspiring speech by the college principal, Dr. Sobha S, who highlighted the indispensable role of science in everyday life and encouraged students to cultivate a spirit of scientific exploration. The event successfully fostered a deeper understanding of science and its relevance, leaving a lasting impact on all participants.

A purple poster for National Science Day 2025. The text is white and pink. It features a portrait of a man in a white turban and a green logo of Kannur Salafi B.Ed. College. The background has blue and green abstract patterns.
